DIVISION MEMORANDUM  
NO. 93, s. 2022

TO: All Teaching and Non-Teaching Personnel  
All Others Concerned

**REITERATION ON THE SUBMISSION OF RAPID ANTIGEN TEST OR RTPCR  
TEST AMONG UNVACCINATED DEPED PERSONNEL**

1. On February 2, 2022, the Office of the Secretary issued Office Order No. 000Sec-2022-003 titled Interim Guidelines on the Expansion of Limited Face-to Face Classes, which provides that "only vaccinated teachers may participate in the continued implementation of limited face-to-face classes of the original pilot schools, and the commencement of the progressive expansion phase for both public and private schools".
2. The RT-PCR or antigen test of unvaccinated personnel who have refused to be vaccinated despite being eligible for vaccination shall be charged at the personnel's expenses.
3. As indicated in DTFC Memorandum No. 575, all are advised to adhere to the guidelines of the Bureau of Human Resource and Organizational Development in handling the attendance records of personnel (**marking as absent, charging to existing leave credits**) who may not be able to report onsite due to failure to comply with the vaccination /RT-PCR/antigen requirements.
4. If unvaccinated personnel will be required to report on-site, they shall be required to present a negative result of RT-PCR test undertaken at most 48 hours before the day of reporting, and which shall be valid for up to two weeks from the day of testing, unless the personnel develops symptoms, for which they shall stop reporting on-site and proceed to established health protocols.
5. Relative to this, the negative RT-PCR test result of unvaccinated school-based teaching and non-teaching be submitted to school heads who will submit to the SDO Personnel Unit and Division based personnel will submit directly to the Personnel Unit.

The School Heads and the Personnel Unit will be responsible to check and track compliance of affected personnel.

6. Attached here are the names of unvaccinated DepEd personnel.
