Others Concerned

1. In line with DepEd Memorandum no. 63, s. 2022 titled "2022 Oplan Balik Eskwela" all public schools are directed to ensure the following indicators before August 22, 2022:
 - 1.1 100% compliance to all indicators in the OBE monitoring tool before August 2022;
 - 1.2 Teachers' Daily Lesson Logs (DLL) for the first week of classes are duly reviewed;
 - 1.3 Temporary SF1 and SF2 are ready for each of the organized classes;
 - 1.4 Awareness of the Enrollment Committee that they are expected to usher enrollees to their classrooms upon filling out enrollment form during the first day of classes;
 - 1.5 Readiness of teachers to conduct debriefing and class orientation as psychosocial support service during the first day of classes; and
 - 1.6 Presence of contingency plan for all possible untoward incidences (i.e. COVID infections)
2. Conduct of parents' orientation on or before August 26 is a must to debrief and inform them of the basic education delivery mode, other class-related matters, and their roles for the success of this school year.
3. All District Monitoring Team members (PSDSs, EPSs, SGOD in charge, and ADASs) shall conduct follow-up OBE monitoring during the first week of classes and provide technical assistance if needed.
4. This memorandum is issued for you information and compliance.
