SUBJECT: REQUEST LETTER FOR A RECTIFIED SCHEDULE FOR OUR NEAP AND PRC-ACCREDITED TRAININGS

Dear *Dr. Gamatero*:

Greetings from the Asian Center of Education, Research, and Training for Innovation (ACERT)!

ACERT is a PRC-accredited continuing professional development provider and a NEAP-authorized learning service provider that aims to uphold excellence in facilitating capacity development programs, providing technical competencies, and initiating professional associations among individuals, organizations, and institutions to achieve social transformation and innovation.

In partnership with the International Youth Fellowship (IYF), we will be conducting a mind education specialist training under our program titled Curriculum Leadership in the 21st Century School Environment: Issues and Challenges from a Global Perspective to be held in your region on the desired dates and set-up of each division prior to the time on task and no disruption of classes policies of the Department of Education.

This training aims to impart among professionals like teachers, non-teaching personnel, and incoming teachers the significance of having a sound and right mindset in their professional practice and how mind education can help them address and overcome issues and challenges in curriculum implementation and their respective workplaces from a global perspective.

There is a minimum registration fee of P3,500 for offline and P2,500 for online via zoom platform. In this regard, we humbly request your good office to grace this training through a wide dissemination of invitations to our educators and employees of DepEd Tabuk City.
