DIVISION MEMORANDUM

No. 364 s. 2024

**TECHNICAL ASSISTANCE PROVISION ON RESEARCH**

TO: Chief Education Supervisors  
Public Schools District Supervisors  
Concerned Teachers and School Heads

1. Accelerating research and development geared toward continuous improvement, particularly in delivering quality education to learners, is one of the K-12 Program requirements. Previously, proposals were submitted, but there was no forum for discussion between the proponents/researchers and the evaluators, except when the SEPS would personally approach, if not call, the researcher for clarification and vice versa. Since there is no communication between the researchers and the review committee, proposals that are returned are not resubmitted or revised, which halts the research cycle.

2. In this connection, the identified personnel (*See Enclosure A*) shall attend the Technical Assistance Provision on Research on September 26-27, 2024 (Thursday and Friday) at the SDO Conference Hall, starting at 8:00 AM onwards.

3. The attendance of the identified personnel during the abovementioned activity is desired and are likewise advised to bring along their laptops, extension cords, and/or their previously checked proposals with comments (if any).

4. For information and dissemination.
