CANVA LICENSE ACTIVATION

FOR : **All School Heads**
All Teaching and Non-Teaching Personnel
SDO Personnel

1. In line with the recently signed Memorandum of Understanding (MOU) between the Department of Education (DepEd) and Canva, all DepEd personnel are now granted full access to Canva's premium features at no cost. This initiative aims to enhance the creative capabilities of DepEd employees by providing them with professional-grade tools and resources to support the creation of high-quality instructional and promotional materials.
2. Canva is a versatile graphic design platform that enables users to create a wide range of visual content, including presentations, posters, infographics, social media graphics, and other design projects. Its user-friendly interface, drag-and-drop functionality, and extensive library of templates, stock images, icons, and design elements make it an ideal tool for both novice and experienced designers. With Canva, users can efficiently produce visually appealing materials that align with DepEd's communication and instructional goals.
3. To activate your Canva premium account, please watch the instructional video using the following link:
