Office of the Schools Division Superintendent

1 December 2025

DIVISION MEMORANDUM
No. 504, s. 2025

**FINDINGS AND OBSERVATIONS OF THE SUBMITTED SECOND QUARTER
LEARNERS' PERFORMANCE REPORT**

To: Public Schools District Supervisors
All Public Elementary and Secondary School Heads
All others Concerned

1. The Schools Division of Tabuk City, through the Curriculum Implementation Division, informs the findings of the submitted report and observations on how schools utilized the quarterly learners' performance data gathering system. This office also reiterates the importance of thoroughly reviewing reports before submission. We cannot fully maximize the use of this data until all schools can perfect the completion. Remember, the main purpose of this data is to help schools and the division governance level come up with timely and relevant actions.
2. The findings and observations are as follows:
 - a. Inclusion of the analysis of the results as one of the topics in the School MEA for some big schools, but not in small schools.
 - b. Not fully aware of the features of the system, the data generated, and its purposes.
 - c. Errors are still noted. This implies that no review or analysis of the results was conducted by school management.
3. The list of schools with errors is found in the attached list. You can access through this link the specific details needing corrections <https://tinyurl.com/2ndQtrforCorrections>. The identified schools are expected to rectify their report and resubmit immediately.
4. Immediate dissemination and action of this Memorandum is earnestly desired.

BENEDICTA B. GAMATERO PhD, CESO V
Schools Division Superintendent
