DIVISION MEMORANDUM
No. 31, s. 2026

**ORIENTATION OF PRIVATE SCHOOLS ON QUARTERLY ASSESSMENT
MONITORING SYSTEM**

To: - Assistant Schools Division Superintendent
- Chief Education Supervisors (SGOD and CID)
- Public School District Supervisors Concerned
- All Private Elementary and Secondary Schools' Administrators/School Heads
- All Others Concerned

1. This is a follow-through of the concern that was discussed during our *kumustahan* on December 2, 2025, regarding the necessity for private schools to establish a more effective and efficient mechanism for monitoring the performance of their learners in the quarterly assessment. This will enable them to more easily identify learners who are struggling and, as a result, provide a timely, diverse intervention.

2. In relation to this, the Division's current system for tracking learners' quarterly performance in public schools will be implemented in private schools as well. With this, there will be a short orientation to be conducted on **February 3, 2026 (8:30 to 10:30 A.M.)**, in the *Kagitingan Hall* of the Division Office located on the 2nd floor of the Extension Building.

3. Participants in this activity shall be the **school head and one personnel/teacher** who is comfortable in using computer applications like Microsoft Office Suite (Word, Excel and PowerPoint) and the Internet.

4. Since this is a computer-based workshop and data entry, participants from each school are expected to bring at least **one (1) computer laptop** and the **results of the 3rd Quarter Assessment/examination** (at least 1 grade level).

5. For the information of all concerned.
