1. Pursuant to DepEd Order No. 009, s. 2026 titled “*Guidelines on the Implementation of the Three-Term School Calendar in Basic Education*”, classes for SY 2026-2027 shall formally open on Monday, June 8, 2026. Likewise, DepEd Memorandum Nos. 027 and 030, s. 2026, respectively, set the guidelines on the conduct of the 2026 Brigada Eskwela and 2026 Oplan Balik Eskwela to collaboratively prepare schools and ensure the smooth, orderly, and safe opening of classes.

2. With the mandates laid down by the above issuances, the Division Office hereby announces the conduct of a field monitoring activity of all elementary and secondary schools from **June 8 to 10, 2026**. This field monitoring aims to:

- continuously assess the schools’ readiness for the opening of classes;
- validate the actual attendance of school personnel and learners
- identify issues, concerns, and challenges, and provide targeted technical assistance while on the ground, and immediately resolve any issues that may disrupt learning; and
- document relevant data or information that needs to be addressed, or that supports timely decision-making and technical assistance by the Division Office or higher governance levels.

3. The team composition per district shall consist of the following: **PSDS as Team Leader, and Members are one from CID, preferably EPS, and one from SGOD**. In cases of overlapping activities, it is understood that all teams are flexible in nature and may adopt appropriate monitoring strategies.

4. Moreover, the monitoring tool from the SocMob for the 2026 BE and OBE shall be used. This is to minimize potential duplication of monitoring tools. However, all schools shall report the daily attendance of learners though <https://tinyurl.com/2627DAILY>.
