**ONLINE TRAINING ON THE STRENGTHENED SENIOR HIGH SCHOOL (SSHS)
CURRICULUM FOR TEACHERS**

TO: Chief Education Supervisors (CID)
Education Program Supervisors
Public Schools District Supervisors
Public and Private Senior High School Heads
Senior High School Teachers
All Concerned

1. In reference to the DepEd Memorandum from the Office of the Undersecretary for Learning Systems (DM-OULS-2026-229), this Division informs the field of the commencement of the self-paced Online Training on the Strengthened Senior High School (SSHS) through the DepEd Learning Management System (LMS).
2. This training is intended for all Senior High School teachers handling Core Subjects, Academic Electives, and Technical Professional (TechPro) Electives, in both public and private schools. The online training can be accessed through this link: learning.deped.gov.ph.
3. The training consists of self-paced courses covering:
 - a. Core Subjects
 - b. Academic Electives
 - c. Technical Professional (TechPro) Electives
4. Teachers and school leaders who complete all required components (e.g. pre test, activities, post-test, evaluation form, etc) will receive a certificate of participation. The courses will be accessible throughout School Year 2026-2027. Participants may enroll in and complete more than one course, as needed.
5. Attached to this Memorandum are the instructions for accessing the DepEd Learning Management System, provided as **Enclosure 1**, and an overview of the online course, provided as **Enclosure 2**.
6. For clarifications and other concerns, please contact the SHS Focal Person. For issues related to accessing the DepEd LMS, kindly coordinate with the Division Information Officer.

Enclosure 2 of Div. Memo No. 440 s. 2026

OVERVIEW OF THE ONLINE COURSES

1. The self-paced online training for the Strengthened Senior High School Curriculum—which allows participants to complete the courses at their own time and pace within the implementation period—is organized into three course groups: Core Subjects, Academic Electives, and Technical Professional (TechPro) Electives.
2. Each subject or elective consists of the following modules:
 - a. Exploring the Curriculum
 - i. Focuses on a deep understanding of the curriculum - standards, competencies, and essential teaching information needed to teach learners.
 - ii. Number of modules: Varies
 - b. Unpacking the Competencies
 - i. Covers the process of translating standards into clear instructional objectives.
 - ii. Number of modules: 1
 - c. Choosing Appropriate Strategies and Assessing Learning
 - i. Emphasizes alignment of teaching strategies and assessment methods with intended learning outcomes through constructive alignment.
 - ii. Number of modules: 1
3. Each module follows the Anchor-Build-Challenge-Deepen (ABCD) Phases of Learning Experience:
 - a. Anchor - Engages participants through brief, interactive activities that activate prior knowledge and stimulate interest.
 - b. Build - Develops understanding through structured content such as short videos, readings, and infographics.
 - c. Challenge - Provides opportunities for independent application through formative assessments with immediate feedback.
 - d. Deepen - Reinforces learning through reflection, synthesis, and application to real-world teaching practice.
4. Each module contains required activities across all phases, and each course includes both pre-test and post-test assessments to measure learning progress.
5. In addition, there are shared modules to be accessed by teachers and instructional leaders. These include:
 - a. For Teachers:
 - i. Getting Started: Understanding the Course, Platform and the SSHS Curriculum
 - This module introduces the SHS online training program and its key components. It also guides them in navigating the platform and understanding the SSHS
